Re: Medi-Cal Consulting Services, Inc. - - Letter of Recommendation

To Whom It May Concern:

I am writing this letter of recommendation on behalf of Medi-Cal Consulting Services, Inc.

When I retained Medi-Cal Consulting Services, Inc. on behalf of my family, I was represented by a professional, courteous and well-organized team who truly loves what they do and who deeply care about their clients.

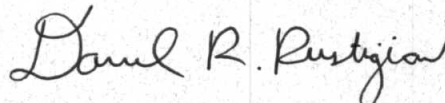

Maneuvering through the Medi-Cal process can be complex, overwhelming and frustrating. Medi-Cal Consulting Services, Inc. took the stress and pressure out of the equation while exhibiting the highest degree of character, integrity and professionalism throughout the entire process.

Medi-Cal Consulting Services, Inc. responded to all of our questions and returned all of our telephone calls in a timely manner. They took care of all necessary documentation and were well prepared when dealing with any inquires from Medi-Cal.

Lisa Ramsey and her staff, especially Marge Fittante, were there when truly needed. When dealing with Medi-Cal, there really is no other entity better prepared to handle the situation on behalf of a family.

Medi-Cal Consulting Services, Inc. has my utmost trust and respect.

Very truly yours,

DARREL R. RUSTIGIAN
