Dear Lisa Ramsey,

On behalf of the Board of Directors and the attendees, I want to thank you for the fantastic presentation you gave at our support group meeting in January. Your topic on "What the government dose not want you to know when applying for med<sup>ical</sup>" was very interesting, and we have since received some great feedback from the attendees.

We appreciate your assistance with educating "Families Affected by Parkinson's". Thank you again for your support of our organization.

Sincerely,
