To Whom It May Concern:

I am writing in regards to Lisa Ramsey and Medi-Cal Consulting Services, Inc. Lisa and her team have been a tremendous help in our facility. They have provided excellent assistance to our residents and families. Their expertise in the area of Medi-Cal eligibility has proved to be a huge benefit to our facility. They provided accurate and timely service which has enabled our residents to have Medi-Cal eligibility quickly. Their knowledge has also allowed for those residents who have difficult financial and complex issues to be given valuable feedback and help.

We have greatly appreciated Medi-Cal Consulting Services, Inc., and there efforts in behalf of our facility and residents. I strongly recommend Lisa and her team to all who require assistance with their Medi-Cal needs.

Respectfully,
